

Lakeridge Community Association – Newsletter May 2021

Councillor Bev Dubois

Hello to all Lakeridge residents and families. I hope you are doing well and staying safe and healthy. The pandemic has changed our lives and I want to thank you for your diligence in adhering to the rules set forth by the various levels of governments. We still have a way to go, so I ask you to continue to be vigilant and stick to the guidelines to ensure that we can get back to some semblance of normalcy.

The community association has continued to meet through the entire pandemic and the virtual meetings are all very well organized and work is getting done. Thank you to the Lakeridge Community Association Board and to all the volunteers that are keeping things going.

The AGM is coming up on Tuesday May 18 at 7pm via Zoom. Please join us.

As your city council representation for Ward 9 I welcome the opportunity to communicate with you and hopefully meet in person sometime soon. I am just an email, text, or phone call away to discuss any issues you may have in the ward or the city. Take good care and stay safe and healthy.

NEWSLETTER SPRING 2021

MESSAGE FROM THE VICE PRESIDENT

Hello friends and neighbors in my Lakeridge community. I wanted to take a moment to introduce myself. My name is Jacqueline Chilliak and I am your current Vice-President on the Lakeridge Community Association. I have held this position for several years now and find it extremely rewarding to be able to help make our Community a safe and family friendly one.

Even during a pandemic, the Board has been busy. Over the winter, Tony our Park/Rink co-ordinator along with Greg have spent many hours improving the rink and maintaining the ice for you all to enjoy. Now that summer is here a bit of a fix and paint is going to happen at the rink. Thank you, Tony and Greg!

Last year we saw some major refurbishment to the park area and this year our focus is **the REFURBISHMENT AND REPURPOSING OF THE TENNIS COURT**. Yes, our plan is to overhaul the court and convert it to a joint tennis/pickle ball court. To fund this massive project though we will **need the community's involvement and financial help!** The project has an estimated cost of **\$35,000**. To that end we have established a **GOFUNDME account for donations and we will be doing a bottle drive on June 5th, so make sure you leave your empties in boxes or bags on your doorstep. We have also been busy writing grant applications in the hope that some help will come from those.**

I would like to send a **BIG THANK YOU to the volunteers** that sit on the board because without those people we would not have an Association. However, the board needs **YOUR HELP!** Yes that means **YOU!** **We have vacant positions that need filling.** The jobs are not difficult, nor really time consuming. They just require a dedicated person to step up, meet once a month for 8 months during the school year, and work on your position's responsibilities. We would like to offer some on-line programs but **Coordinators for those positions.** If you wish to become involved or volunteer to help us, please feel free to call me anytime at 306-222-7211, or email vicepresident@lakeridgecommunity.ca.

Our AGM is scheduled for May 18th via online meeting. Details and a link are available on our website, www.lakeridgecommunity.ca. We would love to see you there and it is a great way to learn more about LCA, share your ideas and become involved. What do you say, lets make Lakeridge an even better, stronger, closer knit community that it has ever been before!

EVERYTHING THAT IS GREAT IN OUR COMMUNITY IS BECAUSE OF THE PEOPLE IN OUR COMMUNITY!

HERE FOR YOU. HERE FOR OUR COMMUNITY.

EXCITING PROJECTS COMING UP!

LCA is planning a major overhaul of the Tennis Court to become a combined Tennis/Pickle ball Court. Cost is estimated at \$35,000. We have set up a **GOFUNDME** page, link set out below. All donations are gratefully accepted. Additionally we are looking to other sources of revenue and have applied for a number of grants. We will keep you posted. Our growth thermometer is on the tennis court fence.
